

Dream It Possible

I will run, I will climb, I will soar.
I'm undefeated, Oh
Jumping out of my skin, pull the chord
Yeah I believe it.
(Woah) The past, is everything we were

Don't make us who we are.
So I'll dream, until I make it real
And all I see is stars.
It's not until you fall that you fly.

**When your dreams come alive you're unstoppable
Take a shot, chase the sun, find the beautiful.
We will glow in the dark turning dust to gold**

**And we'll dream--- it possible
Possible ah-h-h
And we'll dream--- it possible.**

I will chase, I will reach, I will fly
Until I'm breaking, until I'm breaking.
Out of my cage, like a bird in the night
I know I'm changing, I know I'm changing,
In, into something big,

Better than before.
And if it takes, takes a thousand lives
Then it's worth fighting for.

It's not until you fall that you fly.

**When your dreams come alive you're unstoppable
Take a shot, chase the sun, find the beautiful.
We will glow in the dark turning dust to gold
And we'll dream--- it possible
Possible it possible--- //**

From the bottom to the top
We're sparking wild fire's
Never quit and never stop
The rest of our lives
From the bottom to the top
We're sparking wild fire's
Never quit and never stop
It's not until you fall that you fly___

**When your dreams come alive you're unstoppable
Take a shot, chase the sun, find the beautiful.
We will glow in the dark turning dust to gold
And we'll dream--- it possible
Possible ah-h-h
And we'll dream--- it possible.**
